

**BRANTFORD POLICE SERVICES BOARD  
POLICY #02-01**

Re: Employee Assistance Program

---

It is the policy of the Brantford Police Services Board with respect to an Employee Assistance Program that:

- a) at various times in their lives, members of the Brantford Police Service and their families may be faced with personal, medical or emotional problems that may seriously impact on their ability to perform effectively; and
- b) is committed to the development and maintenance of an effective Employee Assistance Program to assist our employees in overcoming problems affecting their work performance; and
- c) approves of and supports the draft policy of the Brantford Police Service, as presented this date and attached hereto, outlining the program.
