

**BRANTFORD POLICE SERVICES BOARD
POLICY #10-01**

Re: Adult School Crossing Guard Guidelines

THAT it is the policy of the Brantford Police Services Board that the 2004 School Crossing Guard Guide be used as a primary source for determining the need for an Adult School Crossing Guard

AND FURTHER that the 1992 Crossing Guard Review Guidelines be used for determining safe site lines

AND FURTHER that the process of determining if an Adult School Crossing Guard is to be removed will be the same as the initial process used in determining if an Adult School Crossing Guard is needed.
