## BRANTFORD POLICE SERVICE BOARD

Brendan Ryan (Vice-chair), Councillor Greg Martin, Deb Cockerill (Chair), Vince Bucci

Throughout 2017, the Brantford Police Services Board addressed a variety of issues, including the approval of the operating and capital budgets, and the appointment of 20 full-time members (sworn and civilian) to the Brantford Police Service to replace members who either retired or resigned. The Board also approved numerous promotions of sworn officers through the ranks.

The Board welcomed Councillor John Utley to the Board for a three-month period, after Mayor Friel took a leave of absence. He joined my fellow Board members, Vice-Chair Brendan Ryan, Vincent Bucci, and Councillor Greg Martin.

Through the proceeds of police auctions, the Board continued to provide financial support to many worthwhile community events and programs, including School Safety Patrollers, Youth Hockey Program and the creation of the FentanylCanKill.ca website.

The Board was pleased with the accomplishments of the second year of our three-year Business Plan. After consultation with the public and staff, new objectives and measurements have been developed in an effort to address the needs of our community. We understand how critical it is to maintain the confidence and trust of our citizens to ensure Brantford remains a safe and vibrant community. It is also important to recognize the professionalism and dedication of the men and women of the Brantford Police Service and ensure they continue to be provided with the training and equipment necessary to do their difficult jobs. Our appreciation is also extended to the many volunteer members of our Auxiliary and Citizens on Patrol Programs for their invaluable assistance.

I wish to take this opportunity to thank Chief Nelson and Deputy Chief Dinner for their commitment to policing. The Board looks forward to continuing to work together to ensure the Brantford Police Service continues to provide high quality policing in accordance with international and provincial standards.

Deb Cockerill  
Chair, Brantford Police Services Board

## A MESSAGE FROM CHIEF GEOFF NELSON

On behalf of Deputy Chief Rob Dinner and members of the Brantford Police Service, it is my pleasure to present the 2017 Annual Report.

The Brantford Police Service is made up of highly skilled, caring professionals who take great pride in serving the citizens of Brantford. We continue to build and strengthen relationships with members of our public by engaging with residents, businesses and community service partners. Our success lies within the people who make up our organization and the support we continue to receive from the community.

Throughout 2017, we continued to develop new and innovative programs, furthering our commitment to crime prevention and proactive policing activities, maintaining investigative excellence, and meeting the community expectations of delivering police services in an effective and efficient manner. Highlights include:

- We advanced the Service's diversity recruitment initiative in an effort to ensure the makeup of our Service resembles that of the community.
- In partnership with the Sexual Assault Centre of Brant, Victim Services of Brant, Brant Community Healthcare System, and Wilfrid Laurier University, we implemented case reviews of sexual assault investigations and developed training on the best practices for these investigations.
- In response to our community's growing concern with Fentanyl, we continued to support the efforts of the Fentanyl Roundtable and Safe Brantford in the development of a coordinated "FentanylCanKill.ca" communication strategy, and ultimately, the Brantford/Brant Community Drugs Strategy.
- Our Citizens on Patrol program expanded to more than 50 volunteers, thanks to the willingness of citizens to take an active role in keeping their community safe. This incredible group of volunteers plays an important role in our community safety strategy ([bpscitizensonpatrol.ca](http://bpscitizensonpatrol.ca)).
- We implemented technology which allows the Service to provide electronic Crown Briefs to the local Crown Attorney's office and added an Unmanned Aerial Vehicle (UAV) technology to our operations.
- We announced the undertaking of a Service Delivery Review to examine the services provided by the Brantford Police Service and critically assess our ability to effectively and efficiently deliver those services. The goal of the review is to create efficiencies, improve services and strengthen the community's confidence in their Service.

In closing, I would like to take this opportunity to recognize and express my appreciation to the Police Services Board for their continued support, and our civilian staff, officers and volunteers, for their incredible efforts in enhancing public safety and improving the quality of life of our citizens. Due to the collective contributions of all our members, I am very proud to say that 2017 was another successful year.

## OPERATIONAL SUPPORT BRANCH

### COMMUNICATIONS

Our Communications Centre is committed to providing a safe environment for the citizens of Brantford, as well as officers on the front-line. Comprised of 16 full-time and two part-time members, our Comm Centre operates 24/7 and is responsible for the initial response to all 9-1-1 calls for police originating within the City of Brantford. They also process all non-emergency calls for service received from the public, and monitor our officers on patrol, using a Global Positioning System, along with data and voice transmissions.

- On average, Communicators handle 400 telephone calls every 24 hour period (this number has gone as high as 971).
- In 2017, over 15,000 9-1-1 calls were received.

### BEAT (BETTER ENFORCEMENT ACTION TEAM)

Consisting of one Sergeant and five Constables, the BEAT Unit is committed to the safety and positive public perception of our downtown core.

Responsibilities include:

- Promoting public safety in partnership with the downtown community.
- Improving public satisfaction and confidence in the Brantford Police Service.
- Accountability in providing a high police presence and quality service to the downtown community.
- Participating in community stakeholder committees.
- Monitoring all liquor licensed establishments and special occasion permits in the City.
- Providing education and enforcement of the Retail Business Holiday Act.
- The BEAT Sergeant is also in charge of the Canine Unit.

As downtown Brantford continues to evolve and diversify, the BEAT strives to be a major contributor to the positive environment of the area, which houses Wilfrid Laurier University (WLU), Nipissing University, Conestoga College, Grand Erie Learning Alternatives, social programs, government offices, retail businesses and private residences. BEAT officers are committed to providing a conspicuous police presence, patrolling the area on foot and on bike. In 2017, BEAT officers logged a total of 844 hours of foot and bike patrol. They continued to be active in numerous community groups and partnerships, including: Downtown Brantford Business Improvement Area (DBBIA), Downtown Action Committee (DAC), Town and Gown Committee, Downtown Neighbourhood Association, and Brantford Welcome In Resource Centre.

## CANINE UNIT

Both Canine Teams – comprised of Canine Officers Ranger and Scout, and their handlers, Constables Jason Nagy and Kari Drake – achieved their 2017 qualification standards (according to Provincial Guidelines) in obedience, agility, tracking, article search, criminal apprehension (with weapon), building search, open area search, narcotics, currency, firearms and ammunition. In 2017, there were 157 canine calls for service.

## COMMUNITY SAFETY AND CRIME PREVENTION (CSCP)

The primary function of the CSCP Section is to provide safety-based curriculum to local youth and community groups, and to assist those suffering from mental illness and addictions issues. Additional efforts conducted within this Section focus upon community well-being and social development. Individual positions within the Section include:

### Community Safety Officer

- Delivered K.I.D.S. (Knowledge Issues Decisions Supports) Program to 22 local Elementary Schools.
- Trained 1,200 Brantford/Brant County Elementary School Safety Patrollers.
- Delivered Safety Based Curriculum to over 12,000 local students.

### Brant Community Response Team (BCRT)

- 223 persons/families, identified as being at Acutely Elevated Risk of harm/victimization, were presented to the BCRT – 122 of which were brought forward by the designated member of the Brantford Police Service.
- Of those persons/families presented, 65.9% were effectively connected with supportive services.

### Mobile Crisis Rapid Response Team (MCRRT)

- Responded to 409 calls for service involving persons in mental health crisis, representing 15% of total call volume.
- Of those apprehended by MCRRT, 87.5% were admitted to treatment in hospital.

### Community Asset Engagement Officer

- Organized a summer party in Charlie Ward Park (attended by over 300 neighbourhood residents).
- Conducted a fall event in Charlie Ward Park (attended by approximately 200 residents), where pumpkins and Halloween costumes were gifted to area children.
- Arranged for the creation of a mural (over 200 feet in length and 4 feet in height) at Charlie Ward Park.

### High School Resource Officers

- Provided 155 lectures, attended by over 5,000 students and educators.
- Participated in the football, swimming and rugby programs for local high schools.

### CITIZENS ON PATROL (COP) PROGRAM

The COP Program was designed to augment our Service's crime prevention initiatives, assisting officers by providing a visible presence to deter crime in the community. Volunteers within the Program are trained to observe and report suspicious behaviour, which reduces crimes such as mischief/graffiti, liquor licence infractions, vehicle thefts, vehicle entries, and break-ins in specific areas.

- Membership doubled from 30 to 60 local volunteers in 2017

### VULNERABLE PERSON REGISTRY (VPR)

The VPR is a community-based policing initiative that promotes communication between vulnerable persons, those who support them, and the police. A vulnerable person is defined as one who, due to medical, cognitive, mental health, or physical condition, may exhibit patterns of behavior that may pose a danger to that person (e.g. persons with autism, dementia, acquired brain injury or cerebral palsy).

- The VPR provides quick access to critical information about a registered person, such as a detailed physical description, who to call in an emergency, and any sensitivity the person may experience.
- When a vulnerable person is thought to be at risk, their personal information will be shared with relevant organizations, enabling them to quickly respond and provide effective assistance to the registrant.

**AUTO THEFT UNIT** – a total of 483 automobiles were stolen within Brantford in 2017 (including tractor trailers, commercial vehicles, motorcycles, and e-bikes). Our Unit is part of Team Shutdown, an initiative started in 2012 to curb auto theft. Other participating police services include: Hamilton, Halton, Six Nations, and OPP. # QUALITY ASSURANCE

## CALEA (COMMISSION ON ACCREDITATION FOR LAW ENFORCEMENT AGENCIES)

The objective of CALEA's Accreditation Program is to improve the delivery of public safety services by maintaining a body of standards that cover a wide range of public safety initiatives. In 2017, the Service successfully completed its first remote CALEA assessment, and was found to be in compliance with a number of standards selected by that agency. The remote assessment occurred in the second year of the four year assessment cycle; the cycle culminates in an intensive on-sight assessment, scheduled for 2019.

## PLANNING AND RESEARCH

Planning and Research covers a broad scope of responsibilities that includes researching and developing the Business Plan. The Service continues toward meeting the performance objectives outlined in the 2016-2018 Business Plan.

Policy development is also a major function of planning and research as the Service strives to ensure that its members work using best practices and are in compliance with federal and provincial law.

## TRAINING

Our Training Section uses innovative and up-to-the-minute techniques to ensure that the best possible training is received by members, including in-class, on-line and scenario-based training. In 2017, mental health professionals were invited to observe scenario-based training and assist in evaluating training techniques.

## AUXILIARY UNIT

The Training Section also operates the Auxiliary Police Program. A dedicated group of volunteers who assist front-line officers with day-to-day duties and during community events, Auxiliary Police Officers performed 7,787.25 volunteer hours during 2017.

## PROFESSIONAL STANDARDS

The Quality Assurance Branch acts as our liaison with the Office of the Independent Review Director (OIPRD) as it concerns complaints made by the public about the Service. Complaints are categorized by the OIPRD as Conduct Complaints, Service Complaints or Policy Complaints. Twenty-seven public complaints were reported to the OIPRD about the Brantford Police Service in 2017. Resolved complaints are classified as screened out by the OIPRD, unsubstantiated or substantiated. Complaints can also be resolved through customer service resolution (CSR), or mediation.
