

Brantford Police Services Board

Policy #00-18 – Adequacy Standard Traffic Management, Enforcement and Road Safety

Description

It is the policy of the Brantford Police Services Board with respect to traffic management, traffic law enforcement and road safety that:

- a) technical collision investigation, reconstruction and breath analysis investigative supports will be provided by members of the Brantford Police Service; and
- b) the Chief of Police will:
 - i. develop and implement a traffic management, traffic law enforcement and road safety plan;
 - ii. establish procedures on traffic management, traffic law enforcement and road safety, including procedures to address road closures and minimizing the interference of traffic; and
 - iii. ensure that persons who provide technical collision investigation, reconstruction and breath analysis investigative supports have the knowledge, skills and abilities to provide that support.
